----- Game Summary -----

A great team performance. Congratulations to 1st Game AFL players, Kyle Sligar, Daniel Mouwad, Jarrod Coomby, Luke Romancewicz, Dylan Holland & Fin Bursill who has joined us from Heathcote Hawks.

It was very pleasing to see the team bring a lot of what we have done at training to the game. I thought every player worked hard & ran out the game in reasonable condition, in what turned out to be quite a warm day.

When moving the ball coming into the forward line we need to centre the ball up to the top of the goal square to avoid kicking so many points, as we did.

The team needs to look after each other more through shepherds & talk. Remember if you handball, then look to support who you passed it too by blocking opponents. Let team mates know if they have time or are "hot".

Please remember to check board to see what position you will be in for next quarter or if you are on the interchange. We do not want to have too many players on field.

Once again, well done.

Our game this Sunday is against Northern Tigers at Holymount Park, Woonona. Please be there by no later than 12:15pm. Directions are on our website.

Thanks,
Mark
